

About Us

Formed in 1999, OSGF is a platform for spice growers to gather, share and disseminate information for the betterment of their life and farms. This is a fully farmer owned institution presently working in an informal manner with active support from INFACT, a NGO in Central Travancore, Kerala. OSGF is a spice farmer group in Kerala to initiate farmer led market activities in line with the changed world scenario of globalization and liberalization. The main aim is to equip farmers to lead a sustainable life by competing to the forces of market in a friendly manner, giving respect to mother earth.

OSGF visualize a society in which sustainability has been taken as the living principle – in relationships, livelihoods and lifestyles of people.

Vision

“To become a viable model in spices farming with a strong commitment for social relations, quality, efficiency and profitability of services”

Mission

“To ensure biodiversity, health and economic security of farmers through organic spice cultivation by providing best quality services in terms of reliability, consistency through close relationships and a better understanding of customers’ processes and requirements”

Objectives

1. Promote the cultivation of crops like spices and medicinal plants in a multi cropping pattern that are suitable for the local climate and soil
2. Promote the value addition and marketing of farm produces especially spices
3. Promote the development of low cost indigenous farming technologies through farmers own experiments

Activities

1. Conducting seminars and training sessions
2. Information Collection and dissemination
3. Lobbying and Networking
4. Value addition and Marketing
5. Study tours and Farm visits

Running Projects

1. Farm profile documentation
2. Promoting vanilla cultivation
3. Professionalise farmer-led vanilla marketing system
